With our Spring Fundraiser approaching, we wanted to reach out to families within BECC to see if there was anyone who would like to make a donation on behalf of their family or a business you may run. In the past we have had local artists, photographers, restaurant owners and Tinkergarten teachers, for example, donate their goods and/or services via gift certificates and have loved including these very special items in our auction.

*If you would like donate a good or service, please feel free to email fundraising. Thank you!*
