BECC Board of Directors' NEWSLETTER

November 2026

Did You See That Email?

As of the 26-27 school year, the BECC Board of Directors has instituted that all volunteers that spend time in our classrooms pass two clearances. These actions are being taken for the safety of our school community. The first clearance is a BCI (Background Criminal Investigation) check. This national fingerprint check must be done at the Attorney General's office in Cranston. Here is the link to learn more about this check: https://riag.ri.gov/i-want/get-background-check

We cannot accept background checks that are issued by the Barrington Police or any police department.

Please note that you do not need these clearances to attend a class party where all families are included. This is strictly for individual instances where you would be assisting the teachers and working with the children in the classroom.

If you are at all interested in volunteering this year, we kindly ask that you reach out to Mary directly for the appropriate paperwork and more information so you can complete these clearances.
